

AUTO BUY BACK[®]

SELL YOUR CAR FOR THE BEST PRICE

Why Are We Different?

AUTO BUY BACK Becomes You

Our trademarked name, AUTO BUY BACK, is simple and suggests exactly what we do. The trademark is licensed to you. Therefore your marketing message becomes clear and concise.

Increase Your Used Car Inventory

Gain strong leads of people who want to sell or trade their vehicles to your dealerships increasing your used car inventory. You become the Authorized Local Dealer.

SEO - Optimized Placement with Google.

Gain additional search engine domination with multiple placements branding your dealership with Google and creating organic leads. AUTO BUY BACK will bring you 1st in search results.

Own Your PMA

With our proven predictable pattern of success, you will own your desired PMA. We help coach, train and dominate your digital marketing efforts to increase results in your market.

Increased ROI

We bring leads directly to your dealership via the AUTO BUY BACK platform. You will see targeted customers looking to buy, sell or trade-in vehicles.

Artificial Intelligence Texting (AIT)

Correspondence with texting is built into our AUTO BUY BACK platform allowing complete transparency. This allows for the streamlined process customers are seeking now-a-days.

Cutting-edge Automotive Technology

Over six million dollars have been invested into the software development, technology and architectural infrastructure that the AUTO BUY BACK platform stands on.
